Dollar Street Activity   Name:

Steps for Part I:
1) Go to gapminder.org and click on "Welcome to Dollar Street"
2) Select four (4) families. One from each column.
3) Quickly read the family description then click on "View this home"
4) Select five (5) images to compare. Use the same image category for each family.
5) Write the image category in the first row of columns #2-6.
6) Write the name of the family, where they are from, and their monthly income in column #1
7) Fill out the chart and answer the questions.

Family #1					
Family #2					
Family #3					
Family #4					

Questions for analysis:

1) What most surprised you about the wealthiest families living conditions compared to your living conditions?

2) In your opinion, what are the two (2) most important physical comforts that separate each of the families?

Dollar Street Activity   Name:

<u>Steps for Part II</u>
1) Go to gapminder.org and select "Tools" in the top menu.
2) Use the same three (3) countries you selected for your "Development Indicators" analysis.
3) Using the "Bubbles" tool track each of your nations from 1950 – 2018 and answer the following question.

Question for Analysis

1) *What path did each of your nations take? What reasons are there for each of their paths?*

<u>Steps for Part II contd.</u>
4) Using "Income" tool, (underneath the x-axis and year bar) track each of your nations from 1950 – 2018 and answer the following questions.

Questions for Analysis

1) *How much change was there in each nation based on the Extreme Poverty Line? What reasons might there be for changes?*

2) *What other information can you gather from the change in income level over time?*

<u>Steps for Part II contd.</u>
5) Using your same three (3) nations, select one more "tool" from the menu below the x-axis and year bar and EXPLAIN how that data shows positive or negative growth for each of your nations.
