

# Stages of the French Revolution Foldable Instructions

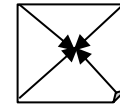

## Setting up your foldable:

1) Fold one corner of the paper to the opposite side.

2) You will need to cut the bottom rectangle away from the triangle shaped piece. Do not rip the extra piece off, as it might not rip properly!

3) Once you have a square paper, fold all four sides into the center.

4) Congratulations, you have completed the set-up of your foldable!

## Directions:

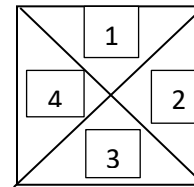

1) The outer flaps must be colorful and labeled with the different stages and names of the French Revolution.

Stage One: **The Meeting of Estates General**

Stage Two: **The Storming of the Bastille**

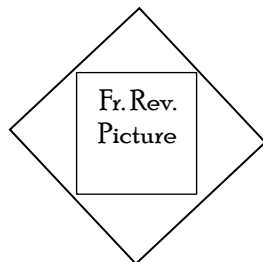

Stage Three: **Radical Revolution**

Stage Four: **The Rise of Napoleon**

The back of the foldable **MUST** be labeled with the title: **French Revolution**, your name and period.

The inner center square **MUST** have a picture that represents the French Revolution. The picture can be a printed/ computer reproduced image or hand-drawn and **MUST** be in color.

The inner flaps must contain the following information for **ALL** four stages:

1. How did the organization/person come to power?
2. Describe the role of the organization/person in the French Revolution.  
What did it/he do? What purpose did it serve?
3. Who were the members of the organization?
4. What was the end result?

**Take pride in your work, neatness counts.**
