The Essential Pacific Northwest Map Assignment

<u>Task:</u> Create a visual representation of the Pacific Northwest, highlighting critical landmarks for context and reference.

<u>Map Requirements:</u> For the opportunity for maximum credit I will:

1) Include a legend (for generic shapes) and label all required locations
2) Draw the actual shape/appearance of the political borders (i.e. state borders)
3) Add color for physical features (blue for rivers, oceans, etc.)
4) Include citied you have lived in within the Pacific Northwest (hint: Issaquah)
5) Add a compass for direction
6) No use of computer generated images
7) Make it detailed and professional
8) Make it detailed and professional

What to include in my map:

<u>States (on map – political borders)</u>	<u>Cities (on map – dots, bold state capitals)</u>
British Columbia (min. borders)	Boise, ID
California (min. borders)	Coeur d'Alene, ID
