

Global Nationalism

Nationalism – What is it?

- At your table groups, brainstorm what bonds create the nation-state of the USA.
 - Social bonds, political bonds, economic bonds?
- Write down as many ideas as you can come up with of things that tie us together.
 - Write them down, even if you think you are wrong.

Choose the Best Five...

- Write them on the board.
- If the one you are thinking of is already up there, put a  next to it! 😊

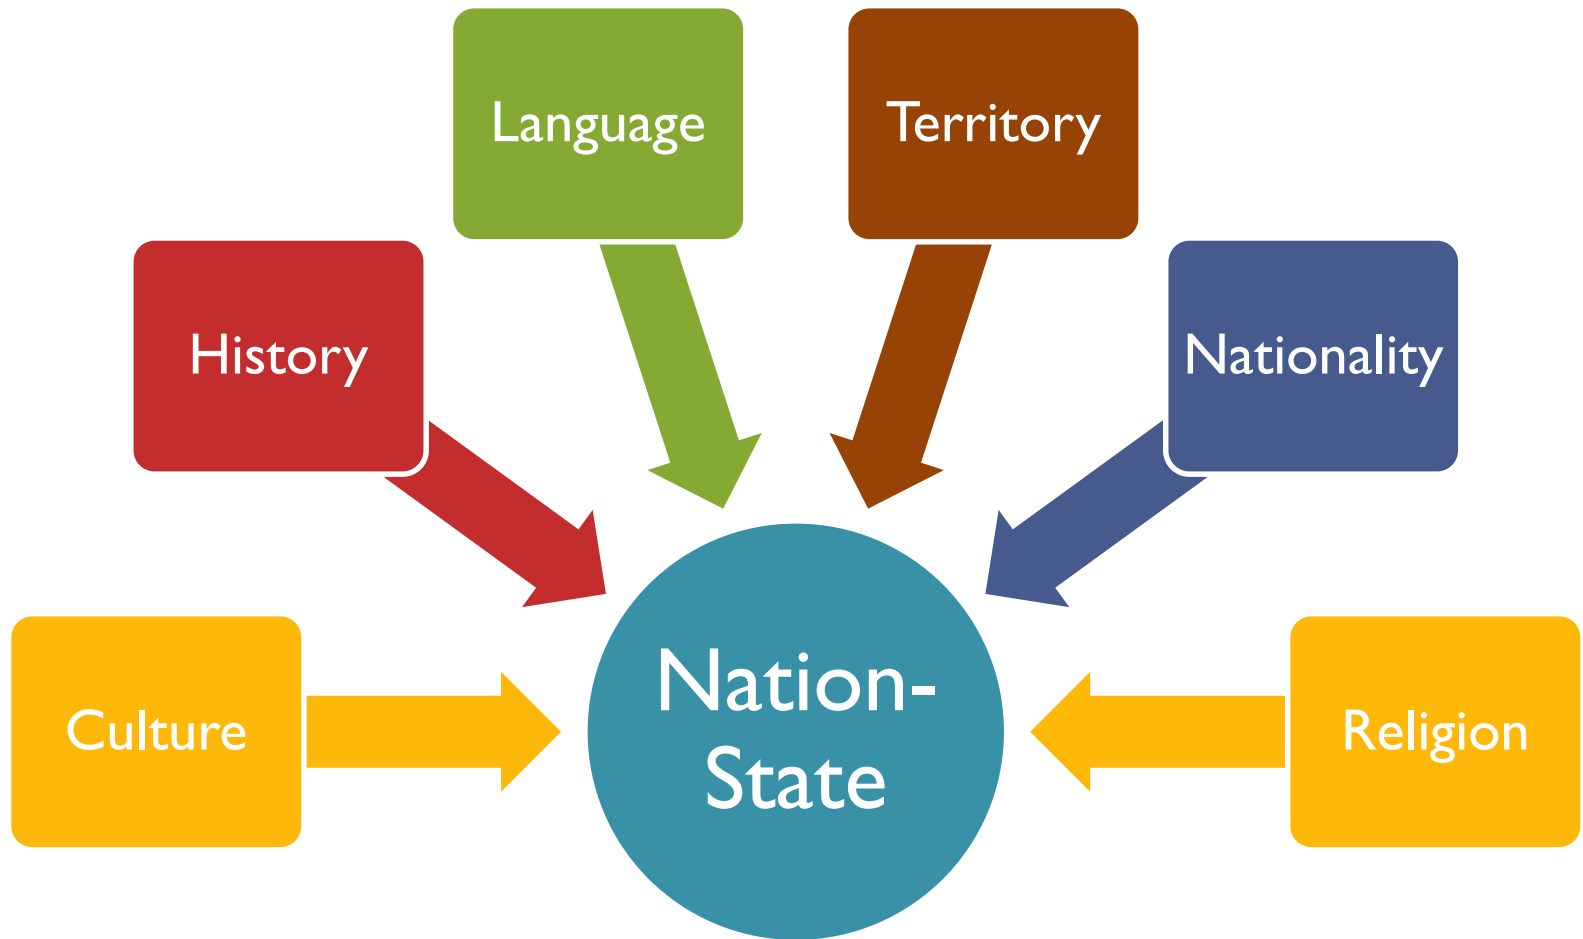

Nationalism – What it actually is...

- Having pride in one's collective groups who share a common culture and history
 - Napoleon will alter idea of Nationalism to...
- Having pride in one's country or nation
 - Modern definition
- New idea in Europe in the 1800's
- Came about after the Atlantic Revolutions
 - Remember Latin America was the first to really push this idea of nationalism or loyalty to a nation.
 - Europe came after them. Thanks Napoleon!

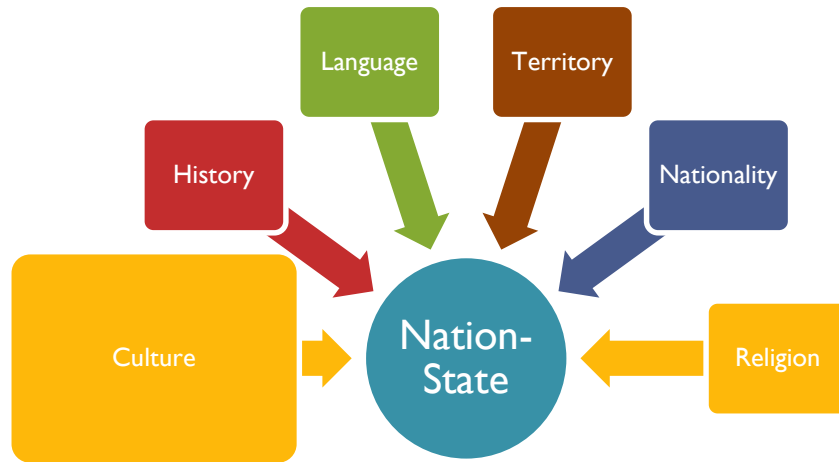

Why Modern Nationalism?

- Spread of Democratic Ideas
 - With revolutions...
- Growth of educated Middle Class
 - Rich middle class really started with the Industrial Revolution, educated and fluid
- Opposition to Colonial Power
 - We will see this later
